Scorecard

Some tips of courtesy so that everyone can enjoy the course

- Each player must carry an individual set of clubs
- Beginners and children should use the front tee
- Players coming off the 9th are to alternate with players on the 1st tee
- Allow faster players to pass through or when play is delayed due to a lost ball
- Vacate green as soon as putting is completed so that the following group can hit to green
- All care should be taken to preserve turf areas, particularly on greens
- All divots and plug marks to be replaced
- Bunkers should be raked to preserve a smooth surface
- Co-operation by all players leads to enjoyment by all players
- Players must wear appropriate clothing
- Wearing of thongs is prohibited
- Green fees players must have a validated card and produce it to Little Para Golf Course employees upon request
- Read the noticeboard located in the pro shop before playing
- Your place in the field is immediately behind the playing group in front - not merely ahead of the group behind.
